Bike/Ped Safety Tips

- Cyclists on roadways or bike lanes are considered vehicles by Florida law and must obey all traffic rules to be safe, including riding with vehicle travel direction.
 - Vehicles must give a 3 foot cushion (by Florida law) to cyclists in the roadway or bike lane.
 - Cyclists riding on sidewalks or shared use paths should ride slowly, be courteous and give audible warnings and the right-of-way to pedestrians.
 - Lamps must be used on a bicycle after sunset to alert other drivers.
 - Pedestrians and cyclists on the sidewalk must obey "Walk/Don't Walk" signs at signalized intersections.
- Per Marco Ordinance 12 mph max speed limit on all sidewalks and multi use pathways
